

## 2021 Giving Summary

In 2021, Alliance Catholic Foundation proudly supported the community through various grants and donations. Every organization and cause supported aligns with the mission of the Foundation – furthering education and improving the quality of life in the communities we serve.

### YouthWorks-Detroit

YouthWorks-Detroit (YWD) unites diverse people to holistically support our city's youth through focused prayer, intentional after school programming and committed mentoring relationships. Alliance Catholic Foundation supported YWD by providing a grant to help purchase two 15-passenger vans to support various program/outreach activities.

### Catholic Community Response Team

Catholic Community Response Team (CCRT) provides direct, referral and support services to those with basic and crisis needs living within the city of Pontiac. To provide this support, CCRT seeks to build a bridge between the Pontiac community and the surrounding area, which consists of more prosperous suburbs. It does this by seeking financial support, and utilizing volunteer expertise and manpower found in Pontiac, nearby Catholic parishes and organizations. Alliance Catholic Foundation provided a grant to fund one year of "Getting Ahead" and "Getting Ahead while Getting Out" classes.
