

Make a *Difference!* SCHOLARSHIP

Alliance Catholic
FOUNDATION

We are proud to announce the winners of our 2023 MAKE A DIFFERENCE SCHOLARSHIP CONTEST

Eligible students were asked to record a video testimonial of someone who has witnessed or benefited from good work they have done in the community. They had to include a written description of the activity and the reason why they chose the person they did for the testimonial.

With dozens of entries, the testimonials showcased the incredible impact these students have had in their community, proving you are never too young to make a difference.
